(*SB1949 by *Yager)

Amendment No. 1

AMEND House Bill No. 2343 by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 67-5-2501(a)(2), is amended by deleting the language "tax entity determines that the environmental risks are such" and substituting instead "tax entity determines that the environmental risks or financial liabilities associated with the property are such".

SECTION 2. Tennessee Code Annotated, Section 67-5-2506(a)(2), is amended by deleting the language "due to a determination that such property poses an environmental risk" and substituting instead "due to a determination that such property poses an environmental risk or has financial liabilities associated with the property such that it is not in the best interest of the county to take possession of the property".

SECTION 3. Tennessee Code Annotated, Section 67-5-2507, is amended by adding the following language as a new subsection:

(c)

(1) Notwithstanding subsection (a), after the county mayor of each county takes charge of all the lands bought in by the county at such delinquent tax sales, the county mayor shall have a period of no less than ninety (90) days and no more than one hundred twenty (120) days to evaluate the property and determine whether the value of the property or amount of money the county is likely to receive if the county sold the property exceeds the financial or environmental risks associated with the property.

(2) If the county mayor evaluates the property during the required time period and determines that the financial or environmental risks of the property outweigh the value of the property or the amount of money the county is likely to receive if the county sold the property, then the county legislative body may adopt a resolution, by a two-thirds (2/3) vote, stating that the financial or environmental risks associated with the property are such that it is not in the best interest of the county to acquire such property and directing the county mayor to petition the chancellor for relief.

(3) Upon receipt of this resolution, the county mayor shall file a petition for relief with the chancery court of the county in which the property is situated. It is the duty of the chancellor to hear the petition, and, if satisfactory proof of the financial or environmental risks associated with the property is presented to the chancellor, then the chancellor shall void the sale to the county and refer the property to a special master for deferred sale. The master shall file intent and terms of a proposed deferred sale thirty (30) days in advance with the chancellor and with the county mayor and the assessor of property, and proceed to conduct the sale on the proposed terms unless otherwise ordered by the court.

(4) Proceeds of a sale of the property in accordance with those terms will be applied in the manner otherwise provided by law, and all liens securing the taxes for which the property is sold shall thereby be released. Further, the purchaser at this deferred sale may tender an amount equal to the tax due upon the property accruing prior to the time of sale based on the alternate value established by the deferred sale, and the tendered amount with accrued penalty and interest will be accepted in satisfaction of liens securing the tax, with approval of the court. Such alternate value shall not be considered determinative of the assessed value of the property for any tax years that become due subsequent to the sale by the special master.

(5) In the event that there is no bidder at a subsequent sale conducted by the special master pursuant to this subsection (c), the property shall remain in the custody of the special master and shall be

offered at sale again within six (6) months of the date of the initial sale by the special master under such conditions as determined by the court to be most likely to result in a successful sale; provided, however, that if it is the opinion of the special master that economic conditions relative to the property are such that it is not feasible to attempt an additional sale during that time period under any conditions, the special master may petition the court to extend the time before the next sale must be conducted. For undeveloped or unimproved property, the special master may recommend transfer of the property to a nongovernmental entity claiming contractual rights to dues or assessments pursuant to § 67-5-2516. For property that includes structures or improvements whose condition creates environmental or financial liabilities that exceed the estimated value that the property is likely to generate at a sale, the special master may recommend to the court that the property be returned to the owner of record of the property at the time the taxes were allowed to go delinquent.

SECTION 4. This act shall take effect upon becoming a law, the public welfare requiring it.

(2) The state board shall adopt rules relative to the payments required through the course access program. The state board may set a cap on the amount of funds that can be charged for a particular course.

(b) Payment to all approved course providers and their respective LEAs shall be based upon the student's successful completion of the course pursuant to rules and regulations adopted by the state board; however, in no event shall more than fifty percent (50%) of the payment amount be made prior to successful completion of the course and the earning of credit.

MESSAGE FROM THE GOVERNOR

April 14, 2016

MADAM SPEAKER: I am directed by the Governor to return herewith: House Bill No. 615; with his veto.

DWIGHT E. TARWATER, Legal Counsel to the Governor

GOVERNOR'S STATEMENT ON HOUSE BILL NO. 615

April 14, 2016

The Honorable Beth Harwell
Speaker of the House
301 6th Avenue North
Legislative Plaza, Suite 19
Nashville, TN 37243

Re: House Bill 615

Dear Speaker Harwell,

I am vetoing House Bill 615, the legislation designating The Holy Bible as the official state book.

3935

This is a draft version of the House Journal and is to be considered UNOFFICIAL. It will become the official record of the House after it has been adopted by the House.

As you know, last year the Attorney General opined that designating The Holy Bible as the official state book of Tennessee would violate the Establishment Clause of the First Amendment to the Federal Constitution and Article I, § 3, of the Tennessee Constitution, which provides that “no preference shall ever be given, by law, to any religious establishment or mode of worship.”

In addition to the constitutional issues with the bill, my personal feeling is that this bill trivializes the Bible, which I believe is a sacred text. If we believe that the Bible is the inspired word of God, then we shouldn't be recognizing it only as a book of historical and economic significance. If we are recognizing the Bible as a sacred text, then we are violating the Constitution of the United States and the Constitution of the State of Tennessee by designating it as the official state book. Our founders recognized that when the church and state were combined, it was the church that suffered in the long run.

I strongly disagree with those who are trying to drive religion out of the public square. All of us should and must bring our deepest beliefs to the places we are called, including government service. Men and women motivated by faith have every right and obligation to bring their belief and commitment to the public debate. However, that is very different from the governmental establishment of religion that our founders warned against and our Constitution prohibits.

For these reasons, I am vetoing House Bill 615.

Respectfully,

Governor Bill Haslam

cc: The Honorable Ron Ramsey, Lieutenant Governor and Speaker of the Senate
The Honorable Members of the 109th General Assembly
